A HOME IN THE VALLEY

222 RAJPUR, DEHRADUN

222 Rajpur offers high-design residences for a select few who prize quality and durability, and truly value their real-estate investment. Designed for discerning nature lovers, this community places carefully designed architecture in the heart of nature. Abutting the Malsi Reserve Forest, and oriented to panoramic views of the Mussoorie Hills, 222 Rajpur offers a calm and soulful retreat on the most exclusive residential location in Dehradun.

DEHRADUN

Anchored by venerable institutions such as the Indian Military Academy, the Forest Research Institute of India, and home to India’s most exclusive private academies - the Doon School, Welham Girls’ School and the Woodstock School, Dehradun offers a tranquil retreat from the intensity of Indian cities. Nestled in the natural embrace of the Malsi Reserve Forest, home to a verdant expanse of lychee orchards, and oriented to views of the Mussoorie Hills, 222 Rajpur offers all the amenities of a sophisticated urban enclave. With immediate access to the super-speciality Max Hospital, located only minutes away, 222 Rajpur offers an exclusive residential haven in the capital city of Uttarakhand.

FAR ENOUGH, CLOSE ENOUGH.

Max Super Speciality Hospital	6 minutes 3.2 km
Pacific Mall	8 minutes 3.8 km
Malsi Reserve Forest	9 minutes 4.6 km
Antara Senior Living	15 minutes 6.8 km
Welham Girls School	23 minutes 10.2 km
The Doon School	24 minutes 10.6 km
Dehradun Railway Station	24 minutes 10.6 km
Indian Military Academy	25 minutes 15 km
Forest Research Institute	35 minutes 15 km
Mussoorie	45 minutes 28.2 km
The Woodstock School	70 minutes 27 km
Jolly Grant Airport	75 minutes 36.9 km

DEHRADUN WELCOMES YOU

Enjoy a residence that offers all the luxuries and conveniences of metropolitan life within the beautiful valley of Dehradun.

GET THERE

By Air: With over twelve daily flights from Delhi, Dehradun is perfectly accessible. A short drive to the Jolly Grant airport, a mere 25 km away will connect the green valley of Dehradun to almost any location in India.

Railways: Dehradun enjoys excellent rail connectivity with daily trains such as the Shatabdi Express, Jan Shatabdi Express and Nanda Devi Express connecting you to Delhi. Moreover, Dehradun is connected by rail to Mumbai, Kolkata, Lucknow, Trivandrum, Vadodara and Varanasi.

Drive: By road it takes only 4 hours from Delhi or 3.5 hours from Chandigarh by the NH7.

SHOPPING

Dehradun's largest mall, Pacific Mall, is located a mere 8 minutes away from 222 Rajpur. Among the many other shopping options, Paltan Bazaar is considered the very economic heart of Dehradun and a perennial favourite with shoppers. With other shopping choices such as Crossroads, Ashley Hall, City Junction, Parsvanath Eleganza and Vikas Cine Mall, you will be spoilt for choice.

LEISURE

Leisure in Dehradun spans a broad spectrum of activities. Make no mistake, the city's wide array of boutique resorts, spas, shopping areas and restaurants will put you on top of the world. Add to this movie-watching options such as PVR Cinemas and Glitz Cinemas and golf courses such as the DSOI Golf Course and FRIMA Golf Club and your day will be pampered, rejuvenated and entertained to say the least.

DINING OUT

Dehradun has a bit of everything for those who want to enjoy a fancy evening of wining and dining. The Four Points By Sheraton is perfect for a cocktail. Or, if you'd like a taste of global cuisines, try the Lemon Tree Hotel, President Hotel or Seyfert Sarovar Portico, for dinner and drinks. Needless to say, other options abound from — Antara Club, Punjab Grill and China Kings to Udipi and Vatika; from Lhasa and The Orchid to Tibetan Market, Black Pepper Bar & Restaurant and My Wife's Place amidst plenty others.

WEEKEND GETAWAYS

Sahastradhara | 30 minutes, 15.3 km

Sahastradhara, which literally means 'thousand fold spring,' is a famous tourist spot in Dehradun.

Mussoorie | 45 minutes, 33.6 km

Situated in the foothills of the Himalayas, Mussoorie is known as the Queen of the Hills.

Lal Tibba | 1 hour 34 minutes, 37.3 km

The highest peak in Mussoorie, popular for its romantic sunsets and sunrises.

Rishikesh | 1 hour 35 minutes, 45 km

The holy city of Rishikesh, in the base of the Himalayas, holds deep cultural and spiritual significance.

Haridwar | 1 hour 50 minutes, 53 km

A sacred site on the Ganges a little over one hour by train or road.

Chakrata | 3 hour, 87.2 km

Embellished by sun-kissed Himalayan ranges, this mystical hill station features some of the most ravishing waterfalls.

Nagtibba | 3 hour 55 minutes, 119 km

An inviting weekend trek near Mussoorie.

RESIDENCES

Max Estates presents an array of residences at 222 Rajpur - townhouses, courtyard villas and forest villas. All residences are carefully planned to ensure a seamless flow of space, light and view. Spectacular views of the Malsi Reserve Forest and Mussoorie Hills can be enjoyed from the terraces and balconies as well as the high ceilinged, light filled rooms. Taking advantage of the natural beauty of the site, the architecture at 222 Rajpur encompasses both indoor and outdoor living. Materials and construction technology have been selected for resilience and environmental harmony. The singular focus of the design of the residences stems from the core values of Max Estates - the wellness of our residents.

TOWNHOUSE

The Townhouse Residences are designed around a stunning double height sky court located in the heart of the residence, covered with a double glazed premium skylight. The sky court offers scale and volume while connecting the public and private spaces of the home and improves circulation. Offering a private front and back garden, the townhouse seamlessly connects with the larger community and greens.

COURTYARD VILLAS

The Courtyard Villas open up to the southern solar orientation with a large open courtyard. By providing a separate staff entry and exit, the private living spaces are allowed to flow from interior to exterior. The courtyard was designed with the intent to provide residents an intimate, distinct and pleasurable seating area to overlook the natural landscape surrounding the villas.

AT MAX ESTATES
OUR MISSION IS
TO OFFER SPACES WITH
THE UTMOST ATTENTION
TO DETAIL, DESIGN
AND LIFESTYLE

PROPOSED SPECIFICATIONS

RESIDENCES

Generous ceiling height of 10.5ft

All residences have been designed to have their own private gardens

Views from every residence have been carefully curated to capture the stunning natural landscape

Provision for 2 car parking spaces in every residence

Public areas such as kitchen, staff rooms, service and utility have been separated from the private living spaces

All residences offer a bedroom on the ground floor for easy accessibility

STRUCTURAL DESIGN

All residences have been constructed using RCC flat slab for an efficient structural system, greater floor to floor heights, beam-less clear ceilings and larger window openings.

The frame structure with a superior slab thickness of 170mm allows for a flexible interior flow of spaces while providing better sound insulation between floors.

Structure built using only primary steel sources (no secondary/recycled steel) to ensure consistent quality, durability, maximum safety and stability of all homes.

Structural design adheres to Seismic Zone 4.

SAFETY & SECURITY

24 hour site management and round the clock security.

The community is secured with 24x7 monitoring by security agents, CCTV cameras and RFID-based security system for resident car recognition.

All residences have been provisioned for installation of CCTV cameras, as a resident may require.

SUSTAINABILITY

The community features its own sewage treatment plant, as well as its own rainwater collecting pits. Firefighting lines laid across the development to further enhance safety for residents.

All residence facades have been designed in a grit finish and local random rubble stone to provide for a durable and long lasting facade with minimum maintenance.

SANITARY FIXTURES

Water Closets

Western style, ceramic EWC of Kohler or equivalent brand shall be provided in all bathrooms.

VIR.MUELLER ARCHITECTS | NEW DELHI

The Vir.Mueller team is comprised of talented architects from across the world, well versed in critical issues pertaining to design and construction. Founded in 2003 by partners Christine Mueller and Pankaj Vir Gupta, the office of Vir.Mueller Architects combines architectural research, education, and practice. Prior to establishing the firm, both partners worked for renowned architectural offices in the United States, Europe, and India.

We strive to create timeless aesthetic relationships, evoking the spirit of contemporary culture, ecology & technology.

According primacy to the process of design, our work evolves as a response to the particular character of each program, site and budget. At every scale, we emphasize the integrity of material and craftsmanship, establishing a fundamental relationship between the physical environment, and the art of making architecture. The professional work of Vir.Mueller Architects has been widely published and awarded – in North America, in Europe, and in India.
